# Atacama Camp

- In this expedition, exclusive to A&K, we take guests into the middle of the mighty Atacama Desert.
- Dine alfresco to the sounds of a crackling fire, although this is definitely more *glamping* style than camp-fire cowboy.
- Guests find themselves with a fine Chilean wine in hand with some lip-smacking food, created by the Alto Atacama team, filling their stomachs.
- Then time to curl up in soft blankets and watch the twinkling star filled sky. A night to remember!
